Dear Ms Hitchcock

Thank you for your letter of 5 July 2018 to the Honourable Leeanne Enoch MP, Minister for Environment and the Great Barrier Reef, Minister for Science and Minister for the Arts regarding the proposed development on Hummock Hill Island by Eaton Place Pty Ltd. The Minister has asked me to respond on her behalf.

The Minister notes your concerns regarding the planning processes.

I am advised that you have contacted the Office of the Coordinator-General regarding this proposal. As decisions around the approval of the proposed Hummock Hill Island Development fall within the responsibility of the Honourable Cameron Dick MP, Minister for State Development, Manufacturing, Infrastructure and Planning, a copy of your letter has been forwarded to his office for consideration.

Yours sincerely
