Dear Ms Hitchcock

Thank you for your letter of 5 July 2018 to the Honourable Leeanne Enoch MP, Minister for Environment and the Great Barrier Reef, Minister for Science and Minister for the Arts about the Hummock Hill Island Development (HHID) prescribed project. The Minister's office has referred your correspondence to the Department of State Development, Manufacturing, Infrastructure and Planning for response.

I refer to correspondence dated 20 July 2018, from Ms Kerry Smeltzer, Assistant Coordinator-General, Land Acquisition and Project Delivery, to your organisation about the HHID prescribed project, which advises the HHID has been subject to comprehensive public consultation through state and commonwealth environmental impact assessment processes.

This correspondence also advises that, in accordance with the provisions of the *State Development and Public Works Organisation Act 1971*, the Coordinator-General is currently undertaking a thorough assessment of the development application which was refused by Gladstone Regional Council on 15 May 2018. A decision is expected by the end of the year; the Coordinator-General's decision is final and may not be appealed.

If you require any further information, please contact Ms April Huxstep, A/Project Manager, Land Acquisition and Project Delivery, Office of the Coordinator-General, Department of State Development, Manufacturing, Infrastructure and Planning on (07) 3452 7507 or April.Huxstep@coordinatorgeneral.qld.gov.au, who will be pleased to assist.

Yours sincerely

Sonya Booth
